

Volta – A Tangled Skein

I am the Weaver.

I have thought on this at great length, and I have sought the wisdom of those I hold dear. With their counsel, I have decided to take action, for the betterment of Volta. I invite you all to Spider Tribe lands, in the Barony of Anym, there to speak with me and any others who come.

This invitation is made as a citizen of Volta, as a shaman of Grandmother Spider, and as a Weaver of Dreams. If you love the land, abide by its laws, and honor its leaders, then you are welcome.

It is my hope that I may help you, the guardians and defenders of Volta, with what skill I have in the dreaming. Let matters of dream and nightmare, of totem and elemental, of shaman and villain, be brought forward and let us hold counsel. I will help you if I can.

I believe that the time has come for us to be one people. That the separate threads of our lives are not enough to bear the weight of the trials we face. We must take those threads, Northman and man, noble and commoner, guild member and worker, mage and healer, warrior and thief, and weave of them one nation. One Kingdom. One Volta.

It is in the web we weave of that unity that we will catch our enemies. It is in that web that we will cradle those we hold dear. It is in that web of profound dedication that we will find victory.

Dream well,

The Weaver
High Shaman of Grandmother Spider
Northman of the Spider Tribe.
Citizen of the Barony of Anym
Citizen of Evendarr

Out of Game Announcements

It is our pleasure to announce the 1-day Volta event at Camp Harrington for Saturday April 2, 2011!

1. The cost for the event will be \$50 for the day to PC (free to NPC).
2. The price of a New Player Pack is currently \$50 and this includes a 1-year NERO membership, a NERO rulebook, and one free event.
3. While there is no additional fee for payments received at door, such payments must be made in cash and we would greatly appreciate it if you would pre-register at <http://nerovolta.com/preregister.htm> so that we know you are coming.
4. There is no food service at Camp Harrington so please plan accordingly – there are sandwich shops, pizza places, and convenience stores a few miles down Route 140 South in Shrewsbury Center. Alternatively, if people want to bring grills and food they are welcome to do so (no open unattended flames allowed for fire safety/insurance reasons). Two outdoor propane grills and grill cleaners are available for use at the lodge (provided by the camp) but must be appropriately cleaned if used. All fires must be properly extinguished.
5. Players are welcome to arrive at Camp Harrington any time after 8 AM. We will start the event at about 10 AM and end around 10 PM with event clean-up occurring 10-11 PM.
6. Respect camp quiet hours – after 10 PM there must be no shouting around the main lodge and the camp building next door (where the camp director and his family live, including young children).
7. Please park your cars in the area next to the Camp Harrington Office or in the lot at the entrance to the Center. You may load and unload vehicles at the lodge, but they should be returned to the parking lot so that a smooth flow of traffic can be maintained and to ensure access to all areas for emergency vehicles.
8. Smoking is not permitted in any of the Camp Harrington facilities. If you must smoke, please do so outside, away from the buildings and other guests and dispose of butts. Do not leave cigarette butts on the ground.
9. All players will be using the main lodge as the in-game staging area for the event. The main lodge has multiple bathrooms, kitchens, and meeting areas. Please keep all areas as clean as possible to minimize event clean-up. A map of Camp Harrington is available at <http://nerovolta.com/images/outdoorcentermap.pdf>.
10. The ropes courses, waterfront, and climbing tower are off-limits to all attendees.

Please feel free to contact me at aelbirt@nac.net with any questions and please contact all of Volta staff at Volta_Staff@yahoo.com to indicate specific storylines that your character would like to pursue. The staff and I are looking forward to entertaining you and running more Volta events in 2011 and the future!

Best,
