

Volta – Howling Fury

The full moon is coming and the residents of the Ulfwood can feel it in their blood.

There is a story in the Ulfwood, a fable that in the light of day none truly believe. It says that the Ravener, the first werewolf, was consumed by a great hunger. It killed and hunted all living things, but still its hunger was not sated. It turned its eyes to the sky, to the moon that was the heart of the world, and the Ravener hunted. Each night it stalked the moon, until finally, the sky was dark. Sated, the Ravener slept, its belly full, dreaming of the hunt.

While it slumbered, the moon grew again, like a great fruit in the sky. As it neared its full growth, the Ravener woke, its hunger grown to an all-consuming rage. On the day the moon was at its fullest, the Ravener hunted again.

On each full moon since, the Ravener has looked at the sky, filled with hunger. On each full moon since, the Ravener hunts.

**

Trouble has come to the Ulfwood. The residents there find themselves besieged. They say that deathknights hunt the woods at night, killing any unlucky enough to cross their paths. Packs of werewolves war with each other under the light of each full moon. The werebears, a line of nature's protectors stretching back generations, find themselves hunted by a black, insane shadow with a glowing crystal sword.

Paths have been made open to you, the heroes of Volta, empowered by the Counsel that rules the Ulfwood. Packs of wolves and men stand at each open way, ready to guide you through.

In the Ulfwood, the Counsel waits, desperate for aid. The werebears create what refuge they can, desperate that their line not be broken. The men and women there look desperately to the south, cut off from all support by the forces of Redpath, and silently beg for aid.

And as the full moon rises, the Ravener hunts, and the question hangs in the air,

Are you hunter? Or are you prey?

Out of Game Announcements

It is our pleasure to announce the 1-day Volta event at Camp Harrington for Saturday October 31, 2009!

1. The cost for the event will be \$45 for the day to PC (free to NPC).
2. The price of a New Player Pack is currently \$40 and this includes a 1-year NERO membership, a NERO rulebook, and one free event.
3. While there is no additional fee for payments received at door, such payments must be made in cash and we would greatly appreciate it if you would pre-register at <http://nerovolta.com/preregister.htm> so that we know you are coming.
4. There is no food service at Camp Harrington so please plan accordingly – there are sandwich shops, pizza places, and convenience stores a few miles down Route 140 South in Shrewsbury Center. Alternatively, if people want to bring grills and food they are welcome to do so (no open unattended flames allowed for fire safety/insurance reasons). Two outdoor propane grills and grill cleaners are available for use at the lodge (provided by the camp) but must be appropriately cleaned if used. All fires must be properly extinguished.
5. Players are welcome to arrive at Camp Harrington any time after 8 AM. We will start the event at about 9 AM and end around 9 PM with event clean-up occurring between 9 PM and 10 PM.
6. Please park your cars in the area next to the Camp Harrington Office or in the lot at the entrance to the Center. You may load and unload vehicles at the lodge, but they should be returned to the parking lot so that a smooth flow of traffic can be maintained and to ensure access to all areas for emergency vehicles.
7. Smoking is not permitted in any of the Camp Harrington facilities. If you must smoke, please do so outside, away from the buildings and other guests and dispose of butts. Do not leave cigarette butts on the ground.
8. All players will be using the main lodge as the in-game staging area for the event. The main lodge has multiple bathrooms, kitchens, and meeting areas. Please keep all areas as clean as possible to minimize event clean-up. A map of Camp Harrington is available at <http://nerovolta.com/images/outdoorcentermap.pdf>.
9. The ropes courses, waterfront, and climbing tower are off-limits to all attendees.

Please feel free to contact me at aelbirt@nac.net with any questions and please contact all of Volta staff at Volta_Staff@yahoo.com to indicate specific storylines that your character would like to pursue. The staff and I are looking forward to entertaining you and running more Volta events in 2009 and the future!

Best,

Adam Elbirt and the Volta Staff
